

MOTION BY CHAIR HILDA L. SOLIS

July 19, 2016

Preschool is essential to the early education of young children. Grant funding from the California Department of Education is available to existing California State Preschool Program (CSPP) contractors through the CSPP Expansion Funds for Slots Intended to Increase Access for Children with Exceptional Needs. This will enhance the number of preschool slots in the First District for both children with special needs and without.

Proyecto del Barrio is a licensed child development provider that will be applying for the foregoing grant. One aspect of the application includes certification that space is available for the program.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Chief Executive Office's Real Estate Division to demonstrate and confirm for the California Department of Education that space is available for the proposed purpose at the following address: 4824 Civic Center Way, East Los Angeles, California 90022.
